

TOWN OF SHELTER ISLAND
MOORING PERMIT VESSEL CHANGE APPLICATION
(Private Mooring ONLY)

Chapter 90 of the Shelter Island Town Code requires mooring permit holders to notify the Town Clerk if the permit holder wishes to change the vessel associated with a permit. A different vessel may be permitted subject to Town approval. Complete this application and return to the Town Clerk's Office for review.

You must provide a photo of the new vessel and copy of the vessel's registration. If the vessel does not require a registration, you must provide formal proof of ownership.
