

# New Parking Program for One-Day Parking Permits

UPDATED 5/24/24

**The Town of Shelter Island has partnered with [ParkMobile](#) to continue online sales of one-day parking permits.**

The Town of Shelter Island restricts parking at many beaches, landings and ramps from May 15<sup>th</sup> to September 15<sup>th</sup> annually. Visitors and guests who do not qualify for a free resident permits and do not need weekly, monthly or seasonal permits may purchase a one-day parking permit for use in certain areas.

Previously only available in limited quantities at Town Hall, the Town of Shelter Island began offering one-day parking permits online through [Pavemint](#) in 2021. This platform enabled visitors and guests to purchase one-day parking permits at various locations, on site and in advance remotely. In December 2023, [Pavemint](#) announced that the platform used by the Town of Shelter Island would no longer be available.

The Town's new provider, [ParkMobile](#), has configured a platform that will enable a seamless transition and provide the user with a convenient transaction experience. One-day permits will continue to be offered for use in the permit-required parking areas of the following ten (10) beaches, landings and ramps:

- Wade's Beach
- Menhaden Lane
- Shell Beach
- Peconic Avenue
- Crescent Beach
- Fresh Pond
- Reel Point
- Bootlegger's Alley
- Hiberry Lane
- Daniel Lord Road

Visitors and guests will still be able to purchase one-day permits onsite or in advance remotely. Additionally, users will now have the ability to search for alternate locations if their preferred location is already sold out on a given date. The number of one-day permits available varies by location.

Each one-day permit costs \$25.00, plus applicable fees and is only valid for the date and location selected. Individuals who already possess a valid resident, weekly, monthly, or seasonal, parking permit do not need to purchase a one-day permit. No permit is required in un-restricted locations.

Resident (free), weekly (\$70), monthly (\$125) and seasonal (\$250) parking permits are available at the Town Clerk's Office.
