OPPORTUNITIES FOR HUNTERS ON SHELTER ISLAND

HUNT NEW PLACES!

The Town manages hunting on more than 20 public and private properties on the island. Hunting is by reservation only. If you would like to hunt any of these properties, please contact us to enroll and schedule your hunt.

GET REWARDED!

The Town offers an incentive program to hunters who are successful on Town managed lands. Each deer taken earns the hunter a chance to win one of several prizes awarded throughout the season. The more deer a hunter takes, the greater the chance of winning.

SHARE YOUR HARVEST!

The Town offers butchering services to hunters who wish to donate their harvest. Deer taken from any property on Shelter Island may be donated. Hunters may donate freshly harvested and field dressed deer.

COOL OFF!

The Town provides free cold storage for any deer harvested on Shelter Island. Deer may be stored up to 3 days for personal use. The cooler is located at 63 Cobbett's Lane next to the Shelter Island Fire Department sub-station.
