BOAT STORAGE PERMIT APPLICATIONS

2026 Boat Storage Permit applications will become available beginning **Friday, March 1st**.

In 2024, the Town transitioned the Boat Storage Permit program to an electronic system. This will allow you to submit your application(s) online (24/7) and receive communications regarding your application and permit. **There are no paper applications this season.**

Once reviewed and approved, your Boat Storage Permit Sticker will be available for pick up at Town Hall or sent via U.S. Mail, as decided by you.

To submit your application, simply visit our [Online Mooring Website](#) after Friday, March 1st and select the appropriate application for your vessel.

Please note: Locations are available on a first come, first served basis. If you do not see your preferred location in the location selection box, there is no room for your selected vessel at that location.

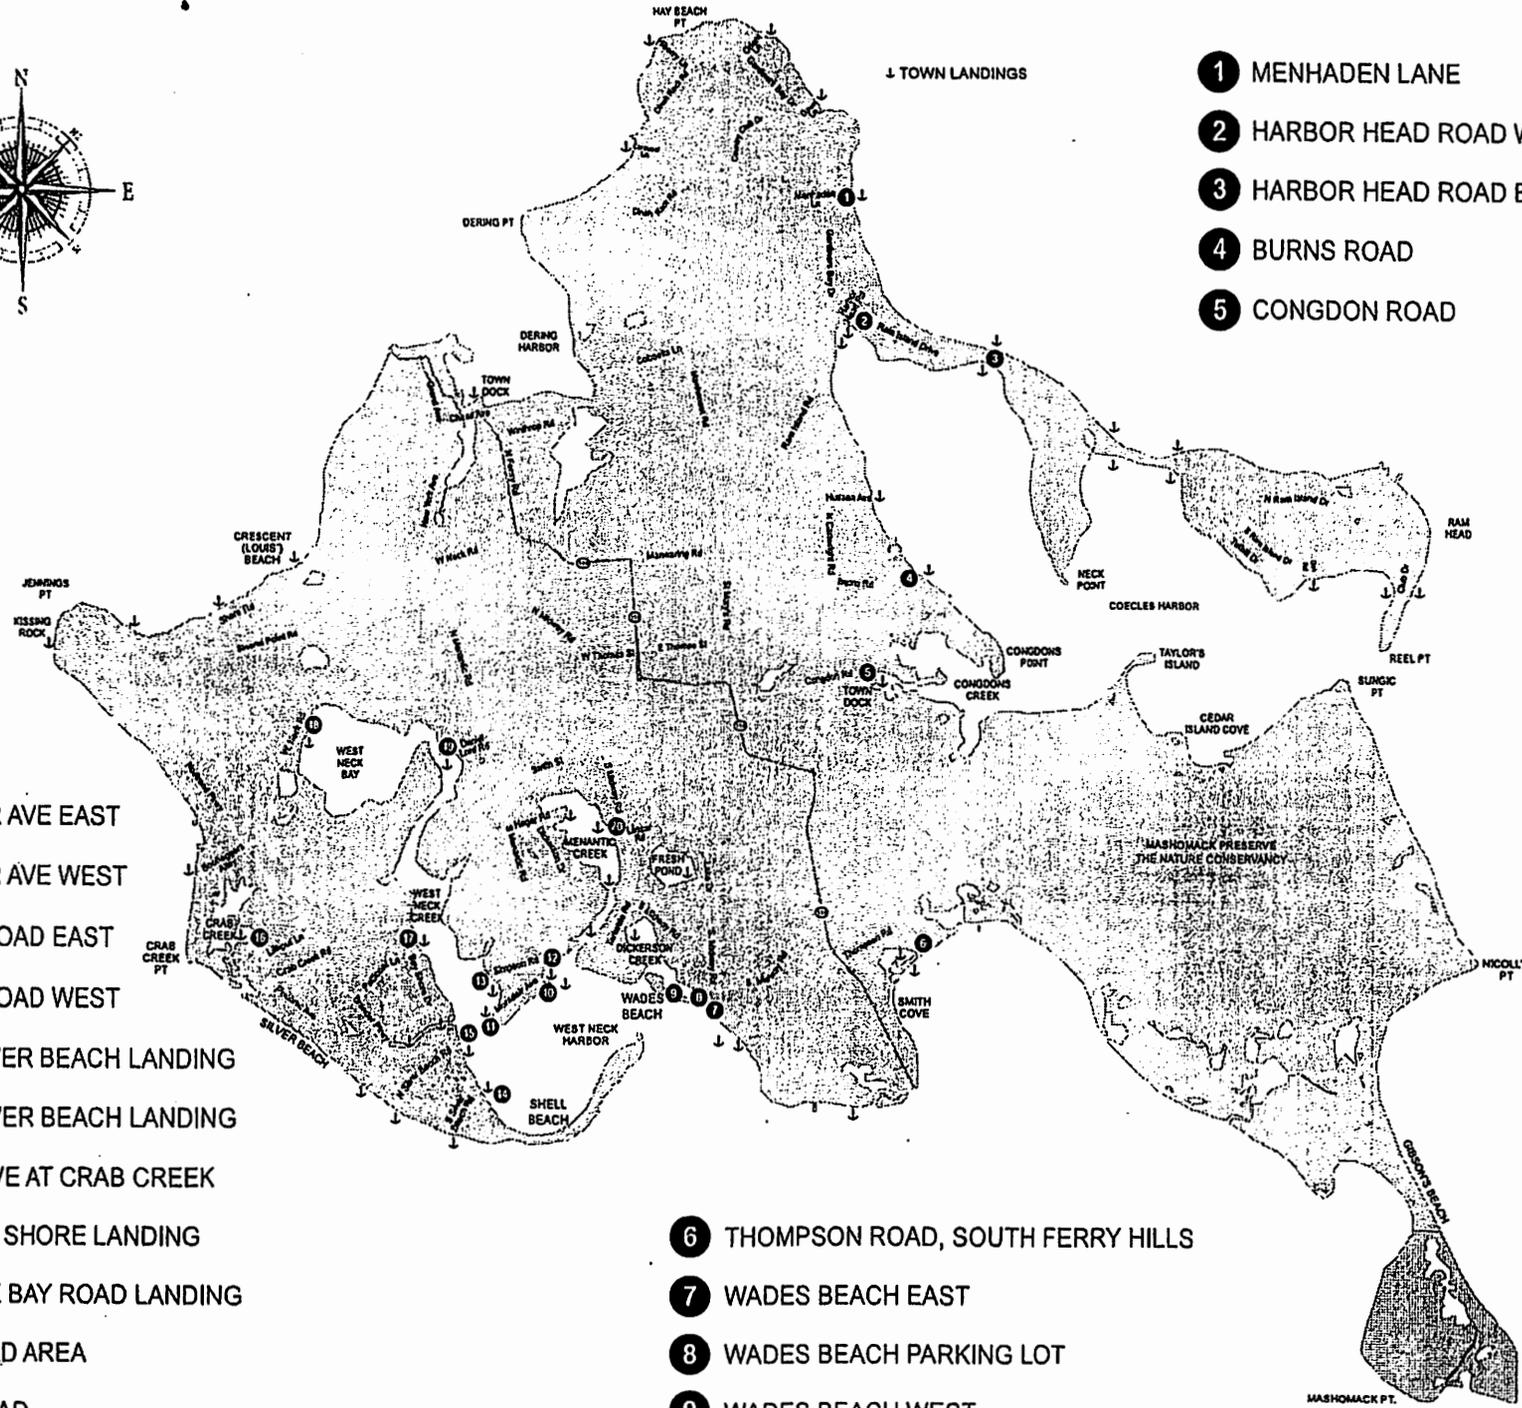

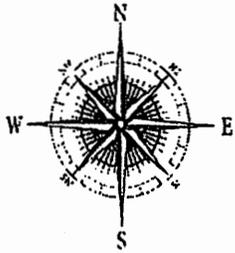

While we have worked hard to ensure a smooth transition, unexpected issues may arise and we appreciate your patience as we complete the roll out. Rest assured all applications will be processed in the order in which they are received.

We hope you enjoy the convenience of our new program.

Permit fees are as follows:

Small:	\$50.00 + \$7.00 application processing fee
Medium:	\$75.00 + \$7.00 application processing fee
Large:	\$150.00 + \$7.00 application processing fee
Dinghy (mooring holders):	\$25.00 + \$7.00 application processing fee
